

Carlos Vivas Memorial

2021 NEW YEAR'S DAY

GARAGE TOUR

Yes, it's happening! Our second annual *Carlos Vivas Memorial New Year's Day Garage Tour*.

Several stops are planned. As it was last year, the directions to the first stop will be handed out here at our Pismo Derelicts gathering spot by Golden Donut. Unlike last year, we have a couple differences. Several stops are actually business owners who have graciously offered to come in and open on the holiday. These businesses have to follow certain rules. You will find paths leading into, through, and out of these places. Keep a mask with you for the time spent indoors. We don't want to get any of our hosts in trouble. The directions to stop one will be handed out to the cars as we leave each of the three exits from the parking lot. You don't need to leave your car.

All of stops planned for this upcoming Garage Tour are new, never before seen. Timing is such that we can be finished around Lunchtime. A Food Truck is planned to be available at our last stop.

Come out ***before*** 9:00am on New Year's Day 2021 and enjoy some donuts, coffee, and friends. Then off to the road tour! See you then!
